

## Freshmen Study Skills Class

Boylan is offering a mini course series to help freshmen become more confident in their study skills, note taking and writing abilities. These courses cover areas that may need some further development before high school. This is an excellent opportunity for students to get familiar with techniques used in classrooms in high school. These mini courses are offered one day at consecutive times.

### **Course 1:**

#### **Test Taking Strategies**

- How to use the test to your benefit.
- How to use test time wisely.
- How to answer short answer questions.
- Take a sample test to put information into practice.

Class is offered:

- July 30: 4:00 - 5:15 PM

### **Course 2:**

#### **How to Take Notes**

- What type of learner are you?
- What methods work best for visual, auditory, or kinesthetic learners?
- Various examples of note taking skills that will benefit all learners.

Class is offered:

- July 30: 5:30 - 6:45 PM

### **Course 3:**

#### **Writing Development**

- What are the subject, audience, and purpose of my writing assignments?
- What are some strategies for planning and organizing each paper?
- What are the elements of a well-written essay?

Class is offered:

- July 30: 7 - 8:15 PM

The cost is \$25.00 per mini course.

Enrollment is based on first come first serve.
